

Walindi Resort & MV FeBrina

11月14日 11:30 ·

To past and present supporters of Max Benjamin Elementary School here at Walindi, we would like to show you an image of the new teacher's house that finalized construction this month.

The Deputy Principal, Mrs. June Aminio has just moved into the two-bedroom house with her family which is located at the school.

Thanks go to our amazing private donors who are making a big difference to the school and lives of now over 1000 M.B.E.S. students since the school commenced in 2011.

Money raised by the students from cultural performances at Walindi Plantation Resort has also contributed significantly to this new building.

Ms. Aminio has proved to be a competent and dedicated teacher in her years with MBES.

Today in a major Kimbe Primary School, the first Max Benjamin Elementary School students (commenced 2011) have graduated from Grade 8 and are looking forward to High School selection.

Kind Regards,

Cecilie Benjamin
MBES Secretary/Treasurer
